EXHIBITOR COMMENTS

ASTRA MAKE UP - ITALY

This is our fifth year at Beauty Istanbul, and once again, we're very happy with the number and quality of the traders. This year, we saw clients from across the GCC, Qatar, Saudi Arabia, Kuwait, Oman, and South America. The event's organization is outstanding, making it one of the world's leading and most important Beauty events. Every year brings new clients and we will certainly be here again.

IBERCHEM - SPAIN

We're glad we decided to be part of the event this year. Even before the show began, many customers confirmed appointments with us. Visitors came from all over the world, we met with buyers from Iran, Azerbaijan, Europe and other regions. The organization is excellent, and we intend to return in 2026!

ARMAF BEAUTE (STERLING GROUP) - UAE

This was our first time participating in Beauty Istanbul, and we had already seen tangible results. We closed a deal with a new customer on the spot on just the second day. We met visitors from the Middle East, the U.S., South America, many from Africa, and of course, Türkiye. The response has been very positive. You can definitely expect us back next year.

MORFOSE - TÜRKİYE

BeautyIstanbul is an exhibition that enhances Türkiye's exhibition image and provides significant support to our local manufacturers and other industry participants. Visitors come from various parts of the world, including Europe, America, South America, Africa, the Middle East, and even the Far East. I believe it will soon surpass other prestigious global exhibitions in terms of growth. The new venue is very spacious, easier to access, and the booths are more appealing. This year, the 6th edition of the exhibition has been the most profitable one for us so far. Additionally, the exhibition's timing is perfectly selected in terms of seasonality.

EYÜP SABRİ TUNCER - TÜRKİYE

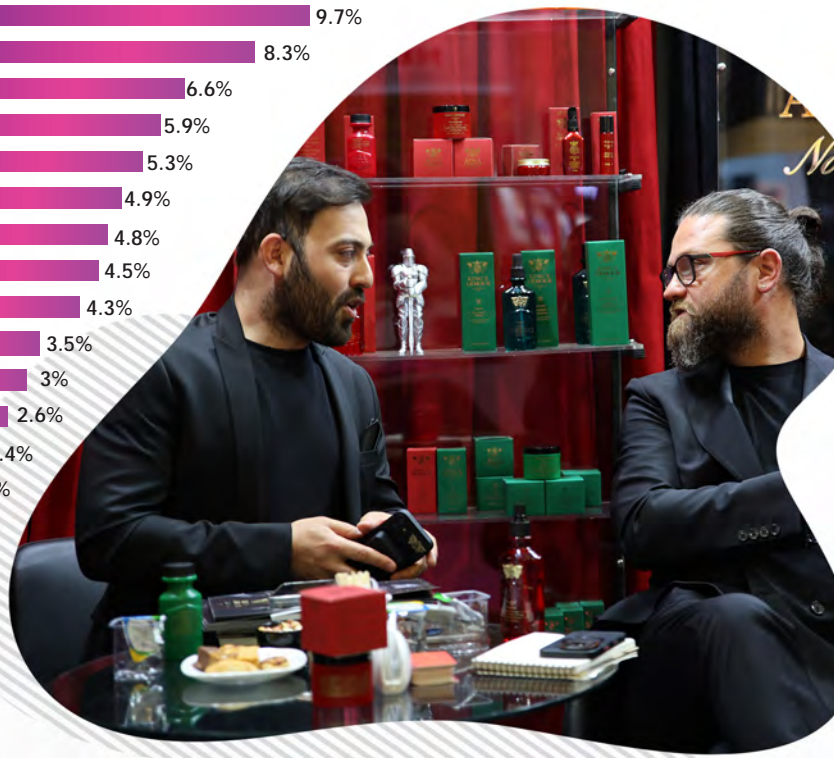

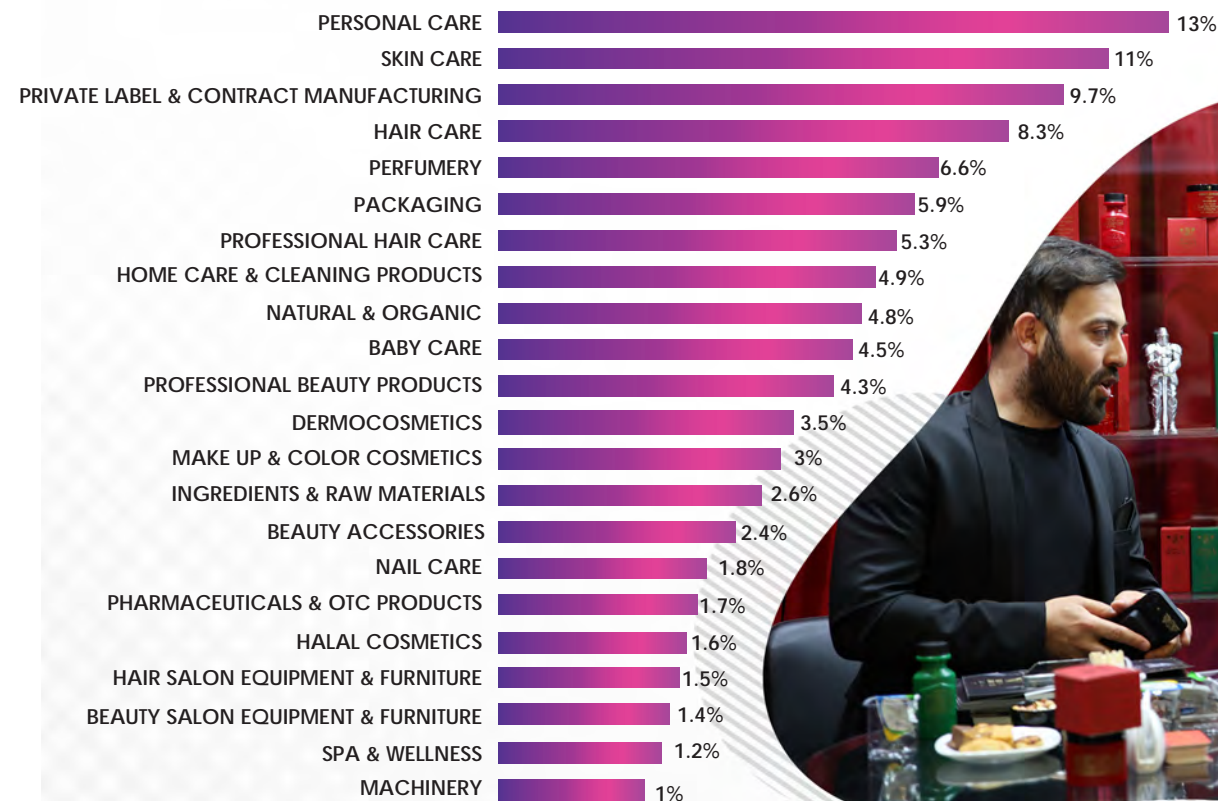

This year, we participated in the exhibition for the first time. The fair was very beneficial for us throughout the three days. We met our existing customers and strengthened our relationships with them. Additionally, we had the opportunity to meet and collaborate with different customers from many countries worldwide. Therefore, the event was highly productive and beneficial for us. The spaciousness of the exhibition area and the ease with which visitors could interact with exhibitors were among the most significant factors for our participation. Hopefully, we will also be part of this successful organization next year.

The exhibition was very busy and productive for me as an importer. There were many interesting booths, products, and suppliers. The high level of organization ensured a comfortable working environment and experience on the premises. Thank you for the warm reception and support.

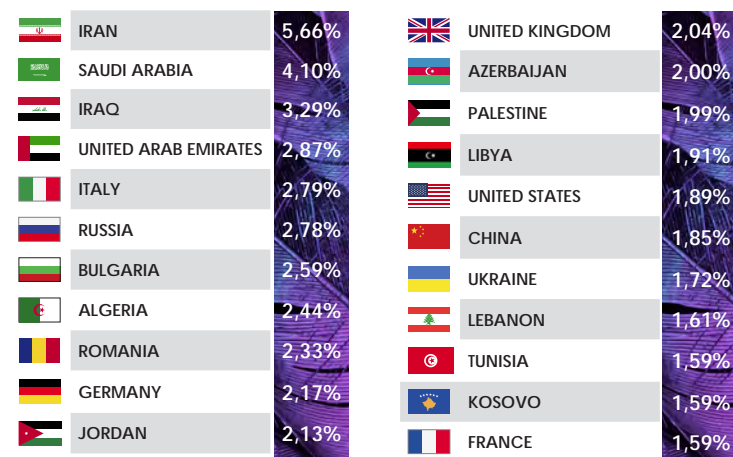

NEVADA GROUP S.A.S. - COLOMBIA

I had the pleasure of attending BEAUTYISTANBUL in Turkiye and was truly impressed by the event's organization and professionalism. The fair was well managed, with smooth logistics and a productive atmosphere. We discovered promising new products and connected with reputable companies, making it a valuable experience for potential partnerships. I hope the organizers maintain this high standard in the future. Looking forward to attending again next year

AL-DAWAA PHARMACIES - DMSCO - SAUDI ARABIA

This year's exhibition was well put together. It offered a smooth and professional experience for both visitors and exhibitors. There was a great mix of exhibitors from all the key beauty sectors, which makes Beauty Istanbul a valuable platform for networking, sourcing new products, and exploring business opportunities.
